GUEST INFORMATION

In order to maximise the enjoyment of playing golf at Verdura, we have deliberately not set out rigid golf rules and regulations. However, to ensure the safety of guests, we would wish you to respect the rules and etiquette of golf and adhere to the following guidelines:

Children are welcome, but must follow general golf etiquette as written in the Rules of Golf. Children should not be left unattended in any golf area due to risk of injury.

Dress code is normal golf wear. Please note that denim is not accepted; shoes should be specifically designed for golf, with soft spikes or fully-flat at tennis shoes.

Driving range balls must not be removed from the practice facility or used on the golf courses.

Golf carts may only be operated by those 18 years or older who hold a current driving licence. Golf carts should only be used for the golf round and are not for transportation around the resort. At the end of each round they should be returned to the staging area at the golf club.

Handicap: If you do not have a handicap or membership of a recognised golf club, we are happy to organise an introduction to the game for you.

Jogging, walking or cycling are not permitted on the golf courses due to a very high risk of injury from errant golf shots. There is a designated route for all these activities.

Two-ball play: Every day, one of the golf courses will be designated as a two-ball course. This will alternate each day. Two-ball play may start on the four-ball course of the day; however players will not have right-of-way nor should they pressurise slower four-ball games in front.

A strict non-smoking policy is enforced due to the high risk of fire from combustible grasses.

Speed of play: To ensure maximum enjoyment for all golfers, we ask that an 18-hole round is completed in a maximum of 4 hours and 30 minutes. Please also allow faster groups to play through.

Single golfers may be paired up upon request by the Golf Shop in advance of play. Please call extension 2134 for more details.

Tee times must be booked in advance to ensure course availability. Players may request tee times on the Golf Reservation Form or call the Golf Shop on extension 2134 to book or alter tee times.
